Worm, wig - gle! Squig - gle and squirm! Wrig - gle and jig - gle and twist and turn!

Tin - gle with mirth as you rid - dle the earth! Dig all you're worth in the turf you churn!

Wrig - gle, worm! Swirl and swi - vel! Wran - gle and jan - gle and twist and twirl!

Strug - gle to slip from the an - gler's firm grip to re - turn to your berth in the jun - gle's warm earth!
