frenziedly ♩ = 144

1
With a lurch, and a lash, and a cra-zi-ly sli-the-ring thi-ther-ward dash

5
on a driz-zle of legs through a bliz-zard of ash, the whiz-zard's a-ri-sen and gone in a flash!

9
With a lunge, and a latch, and a bra-zen-ly grizz-ly tail-se-ve-ring snatch

13
in a frien-zied-ly tiz-zi-ly diz-zy-ing clash, its tail is de-ser-ted, de-scis-sored, de-tached!
